Travel Award Recipients

On behalf of the Meteoritical Society, we would like to thank the organizations whose generous sponsorships provided student travel grants, Postdoc travel grants and travel grants for scientists from countries with limited financial resources. These sponsoring organizations, and the recipients of the travel awards, are listed below.

The Barringer Crater Company

Natasha V. Almeida, Natural History Museum, United Kingdom
Helene Breton, Glasgow University, United Kingdom
Yu Chang, University of Tokyo, Japan
Daniel R. Dunlap, Arizona State University, United States
Samuel Ebert, WWU Münster, Germany
Lucy V. Forman, Curtin University, Australia
Cosette M. Gilmour, University of Alberta, Canada
Timothy M. Hahn, University of Tennessee, Knoxville, United States
Christopher Hamann, Museum für Naturkunde Berlin, Germany
Md. Sakawat Hossain, Technical University Munich, Germany
Christine E. Jilly-Rehak, University of Hawaii at Manoa, United States
Barth I. F. Moritz, Friedrich-Schiller-Universitaet Jena, Germany
Emily A. Pringle, Institut de Physique du Globe de Paris, France
My Riebe, ETH Zürich, Switzerland
Ratiba S. R. Sahoui, UMMTO, USTHB Universities, Algeria
Epifanio Vaccaro, The Natural History Museum, United Kingdom

National Aeronautics and Space Administration (NASA)

Carolyn A. Crow, University of California, Los Angeles, United States
Brendan A. Haas, Washington University, United States
Pierre Haenecour, Washington University in St. Louis, United States
Romy D. Hanna, University of Texas at Austin, United States
Levke Kööp, University of Chicago, United States
Jonathan A. Lewis, University of New Mexico, United States
Josiah B. Lewis, Washington University in St. Louis, United States
Nicole G. Lunning, University of Tennessee, Knoxville, United States
Prajyta P. Mane, Arizona State University, United States
Morgan H. Martinez, University of California, San Diego, United States
Christopher J. Snead, University of California, Los Angeles, United States
Michelle S. Thompson, University of Arizona, United States
Reto Trappitsch, University of Chicago, United States
Christopher J. Wetteland, University of Tennessee, United States
Campus Wi-Fi Access

Wireless Internet access “AirBears2” is available on campus. Visitors have two options to connect.

- If your institution participates in eduroam, you are able to connect securely with your eduroam ID and Wi-Fi key from your home institution. Please visit eduroam.org to see if your home institution offers this service.
- CalVisitor requires no username or password. Self-select the CalVisitor Wi-Fi network to get online.
